Additional comments for expedition preference

Please indicate first preference, second and third. We might not be able to accommodate your first expedition preference, so it is important that you provide us with additional information, e.g. which other dates are you available, did you choose the specific expedition for specific reasons?

Please indicate which stream you are applying for? *

- General field assistant
- Team leader assistant

if applying for a team leader position then your application will automatically be assessed for a general application.

Declaration

- I am aware of the fact that conducting fieldwork with large animals in remote regions can be dangerous.
- I understand the questions asked in this document and answered them to the best of my knowledge.
- I understand that providing misleading information on my health, qualifications and training is a serious offence.
- I understand that filling in this form does not guarantee me a spot on an expedition.
- I have read and understand the SARA policies, including the booking & cancellation policy and fieldwork policies.
